SUMMARY OF REVISIONS

This document is substantially revised and must be completely reviewed.

This instruction has been revised to reflect more current formatting requirements in accordance with Air Force Instruction 33-360, Volume 1 and to give more complete guidance on base curfew policy.

1. General. Parents and guardians must ensure their minor family member children comply with the restrictions established in this instruction. It shall not constitute a defense if the parent or guardian did not have knowledge of the presence of such minor upon the streets, highways, roads, alleys, playgrounds, or other public areas on Spangdahlem Air Base, Eifel West community housing, or Spangdahlem GLH areas during curfew hours.

2. Curfew Restriction on Spangdahlem Air Base, Eifel West Community Housing, and Spangdahlem GLHs. Children under 18 years of age unaccompanied by a parent or guardian shall not loiter in the streets, highways, roads, alleys, playgrounds, or other public areas on Spangdahlem AB, Eifel West community housing, or Spangdahlem GLHs during curfew hours.

3. Curfew Hours. School Days: School days curfew hours will be in effect starting the evening before the first day of school until the morning of the last day of school for that week. Normally, this would be from Sunday evening until Friday morning, while school is in session.

3.1. Curfew for children 12 years of age and under is 2100 to 0500.

3.2. Curfew for children 13 through 17 years of age is 2330 to 0500.

4. Weekends and Non-School Days. Weekends and non-school days curfew hours only apply to those days, which do not precede a school day. For example, when Monday is not a school day, weekend curfew hours listed below will apply. Single days off in the middle of the week would also apply to the weekend curfew hours on the day preceding the day off.

4.1. Curfew for children 12 years of age and under is 2200 to 0500 (Friday and Saturday).

4.2. Curfew for children 13 through 17 years of age is 0030 to 0500 (Friday and Saturday).

5. Summer Vacation. Summer vacation curfew hours will be in effect starting the morning of the last day of school until the evening before school starts in the fall. The summer vacation curfew hours are as follows:

5.1. Curfew for children 12 years of age and under is 2200 to 0500.

5.2. Curfew for children 13 through 17 years of age is 0030 to 0500.

6. Exception to Curfew. Children 13 through 17 years of age, who are unaccompanied, are permitted to proceed directly to their homes from authorized base activities, such as chapel service, athletic events, theater, youth services, scout assemblies, etc. They may also travel directly between the main gate and their homes. It is also permitted for children to travel from their point of employment (such as babysitting) directly to their homes. Children are allowed to camp out overnight in their yards, so long as they stay in the immediate area of the campsite and do not cause a disturbance.
